

COMPLICATION OF WOMAN'S ILLS

Yields to Lydia E. Pinkham's Vegetable Compound.

Athens, Texas.—"I had a complication of diseases, some of them of long standing. I wrote to you for advice and took Lydia E. Pinkham's Vegetable Compound, and some other things that you suggested. I must confess that I am much better in every way and have been relieved of some of the worst troubles. My neighbors say I look younger now than I did fifteen years ago."—Mrs. SARAH R. WHATLEY, Athens, Texas, R. F. D. No. 3, Box 92.

We know of no other medicine which has been so successful in relieving the suffering of women, or received so many genuine testimonials, as has Lydia E. Pinkham's Vegetable Compound.

In nearly every community you will find women who have been restored to health by this famous medicine. Almost every woman you meet knows of the great good it has been doing among suffering women for the past 30 years.

In the Pinkham Laboratory at Lynn, Mass., are files containing hundreds of thousands of letters from women seeking health, in which many openly state over their own signatures that they have regained their health by taking Lydia E. Pinkham's Vegetable Compound, many of them state that it has saved them from surgical operations.

If you want special advice write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

YOUTH TAKES CAR; OWNER CALLS POLICE

As a result of a foolish but harmless boys' escapade, in the course of which three youths, residents of Manoa, borrowed the car of G. Stuart Johnson while the latter was at dinner last evening, the police were later called by Johnson to find the auto and those who had taken it. Chief McDuffie and his men after a search found the car in the city and took with them one of the boys, Kenneth Reidford, who readily admitted his part in the youthful prank. His companions say that he did not leave the car at any time, and as he is a good driver, though only 16 years old, the auto was returned to its owner uninjured. The boy was released on his own recognizance. Mr. Johnson, who had first thought his car was stolen, being disposed to press the case, young Reidford was brought up before Magistrate Monsarrat this morning, charged with malicious injury. The case was continued until tomorrow morning.

In order to introduce themselves, the Honolulu Picture-Framing and Supply Co., Bethel street near Hotel, will develop any roll of films for 10 cents and will print negatives from 3 cents to 5 cents. Two pictures will be printed free of charge.

WOMEN PLAN GARDEN FETES FOR CHILDREN'S HOSPITAL FUND

The interest of the local society women is centered at present upon the preparations for the garden fete for the benefit of the endowment fund of the Children's Hospital.

The preparations for the whole affair are under the supervision of Mrs. F. F. Macfarlane and she is assisted by a number of other ladies interested in the cause. Mr. and Mrs. H. F. Lewis who recently purchased the Spreckels property on Punahou street have offered the house and grounds for the occasion. No more appropriate place could have been selected as the committee plans to have the fete during the afternoon and evening the grounds can be made attractive by daylight and can be lighted effectively for the evening. The evening's entertainment will be a cafe chautau and there will be exhibitions of fancy dances and other attractions.

The garden fete at Kapiolani Park in February, given by the ladies of the Coast Artillery was a decided success and the cause, the Army Relief Fund, received several hundred dollars. The Children's Hospital endowment fund is in need of the three thousand dollars and the ladies in-

INAUGURAL OF THE PRESIDENT

Imposing ceremonies and tumultuous scenes attending the inaugural of President Woodrow Wilson in taking office as President of the United States at Washington, D. C., only a few weeks ago, will be presented through thousands of feet of film before Honolulu spectators this evening.

At Ye Liberty the events that took place on this day of triumph will be faithfully portrayed by means of the moving picture camera.

Persons high in the councils of national affairs are shown in the escort which preceded the new president to the capitol building. The famous "Black Horse Troop" from Indiana is in evidence, while 1000 Princeton College lads with touches of their colors, vie with the mounted pageant in numbers and activity.

Detachments of West Point cadets, and the Culver Military Academy are in line and brought into prominence in this picture.

Despite a rather unfavorable day for the taking of a picture, the film shows with remarkable clearness and detail a number of interesting events connected with the induction of a new president into office. A good idea of Washington in gala array is given.

The retirement of President Taft from the White House is a feature of the picture and represents the last view of the former executive while serving in his official capacity.

Snatches of a long and cheering line of students add much life to the scene.

terested in the hospital are doing their part towards raising the amount.

The garden fete will take place on the nineteenth of April and as there is still time to complete the arrangements there is no reason why the affair should not be as attractive as the one given in February. There will be a number of booths on the grounds laden with purchasable articles.

The grab bag will be managed by Mrs. C. B. Cooper. The luncheon table which in itself is an attraction will be in the hands of Mrs. Carl Halloway. Mrs. Helen Noonan will have charge of the foreign lunch, Miss Harriet Hatch the lemonade booth, Mrs. Robert Shingle the ice cream and Mrs. A. J. Campbell the flower booth. There will of course be the wandering gypsy. This part of the entertainment will be under Mrs. A. G. Hawes, Jr. Mrs. J. M. Dowsett has charge of the finances.

The ladies at the various booths will be assisted by young ladies who will help to make the affair attractive. The affair will be held from two until five o'clock in the afternoon and from half-after six until a late hour in the evening.

As an extra feature, the management will present Miss Blanche Cozier, a singer of ability, who will appear in a number of pleasing operatic selections. Miss Cozier is said to possess a voice of delightful range.

Four reels of first run pictures are also offered in connection with the special inaugural film.

"Casey, the Fiddler," is the offering by the James Post Company at the Bijou for the week-end. The funny musical skit gives ample scope for Post, Miss Ashley and other talented members of the company in a delightful repertoire of catchy songs.

"The Bogy Man Rag," "When the Choo-choo Cars Start for Alabama," "The Girl Worth While" and other melodies will be heard tonight.

A laugh a minute is predicted as a result of the presentation of the newest comedy.

A feature photo play will open and close the entertainment.

Tom McGuire, a rival to the famous Harry Lauder, is an attraction booked by Manager Adams for Empire patrons, beginning with Monday afternoon and evening. The Four Avolons, premier xylophone artists, who are given a high rating in the vaudeville world, are booked for this popular house. They will play here for a limited engagement only. The latest feature films are offered at the Empire.

BIG INSURANCE ON OPERA STARS

NEW YORK, March 10.—Violinists have insured their precious fingers and pianists have taken similar precautions against loss, but the vocal chords of an entire opera company have never been insured until the Chicago-Philadelphia opera company started last week on its western trip. That organization was insured for any loss that it might sustain through failure to give a performance.

Andreas Dippel, manager of the company, and J. S. Hirsh have been figuring for some time on a policy which might protect the organization against loss through its inability to give a performance while on its western tour.

According to the terms of the policies the company is protected against any cause which might prevent an advertised performance. The company is to give sixty-five performances. The average guarantee is \$10,000 from the local managers in cities to be visited.

Before the tour began the Chicago Opera Company, which requires three special trains for its transportation, had to pay out \$250,000, of which one-half went for railroad fares. So it was important for Dippel to take every precaution against loss through missing guaranteed performances.

The policies cover every possible contingency. Should Mary Garden sprain her shoulder and thus compel the cancellation of a date, the company will be reimbursed to the extent of \$10,000. Delayed trains or the blocking of tracks, quarantine regulations, fire, strikes, or riots are all provided for in the insurance.

The total amount of the insurance is \$1,267,000, so that in case of any accident which might happen before the first performance and compel the abandonment of the whole tour, the company would receive the full amount of its guarantee. The premium on the policies amounted to \$25,000.

It is the first time in the history of American insurance companies that such protection has ever been considered. The amount and importance of the persons insured made it possible to place the risks, which were in the main taken in London, although the American companies are represented in the transaction.

The rolling stone gathers no moss—neither does it have to make an up-bill fight.

It's a good plan to believe only half you hear—and forget two-thirds of that.

JAPANESE NIGHT AT C. U. CHURCH

An unusually interesting program has been arranged for the social at Central Union Church this evening by Miss Louise Gulick. The Japanese girls of the Christian Endeavor have been asked to take part in the entertainment and the affair will be Japanese throughout. The young ladies will give historical tableaux and the music will be played on Japanese instruments. The effect will also be carried out in the lighting.

While many interesting entertainments have been given at Central Union nothing on this order has yet been attempted, but Miss Gulick feels sure that the affair will be a success.

A cordial invitation is extended by the members of Central Union to the members of other churches and to any visitors in the city. There will be a reception from 7:30 until 8 o'clock, at which time the program will be opened.

Unique Entertainment.

Did you ever hear a "Koto" solo? That will be one of the features of the distinctive Japanese entertainment to be presented at the church social tonight at Central Union Church. Mrs. Motoki will render this selection, and has also coached the actors for the little Japanese play which will be given, preceded by an explanation in English. A typical tableau will also be shown. The Women's Society invites all strangers and visitors in town as well as members of the church and congregation to the social tonight at 8 o'clock in the Sunday school rooms.

JAPANESE EVENING AT CENTRAL UNION

At the social which the Women's Society of Central Union Church is planning for Thursday evening in the church parlors the entertainment will be furnished by the Japanese Young Women's Association under the direction of Miss Louise Gulick. Tableaux and music will figure in the program. Later in the evening light refreshments will be served in the parish house. All visiting friends as well as attendants of Central Union church are cordially invited to be present.

AUSTRALIAN BIRDS ON SALE HERE

The largest assortment of birds ever imported here arrived by the Marama yesterday from Australia and is being exhibited in the store on Pa'uahi street next door to the Bijou theatre.

In the collection are gullah parrots, cockatoos, love birds, king parrots, corollas, rosellas, quarrleus, black swans, bronzing pigeons, laughing jackasses and many other varieties. The birds will be sold at very low prices for cash.

After "Blind Pigger." Liquor License Inspector Fennell this morning issued a warrant for the arrest of a Chinaman named Apio, who is charged with conducting a blind pig at Waikiki. Apio, it is alleged, has been selling liquor at his house for some time past and it was not until recently that sufficient evidence was secured against him. Inspector Fennell believes that with the arrest of Apio several other persons who have been under suspicion for some time as blind piggers, will also be apprehended.

Relief at Hand. Many sufferers from rheumatism have been surprised and delighted with the prompt relief afforded by applying Chamberlain's Pain Balm. Not one case of rheumatism in ten requires any internal treatment whatever. For sale by all dealers. Benson, Smith & Co., Ltd., agents for Hawaii.—advertisement.

2500 TOURISTS ARRIVE HERE SINCE JAN. 1

With the arrival of the Canadian-Australasian liner Zealandia yesterday afternoon bringing thirty-five passengers for this port, 2465 tourists will have come to Honolulu since January 1, according to statistics compiled by Secretary Wood of the promotion committee. This number of arrivals, says Mr. Wood, is sixty per cent greater than the number during this period last year.

Hawaii is being advertised on the mainland this year to a greater extent, probably than ever before. Moving picture men, lecturers and promotion men have visited the city and the islands since the first of the year and have all left with matter and information which will tend to push Hawaii further into the front rank of the leading winter resorts. President Hawthorne, of the American Film Company, was an outgoing passenger of the Wilhelmina yesterday morning after a very successful month spent in the islands. During his stay here, Mr. Hawthorne secured a number of films which included, besides scenes in and about Honolulu, pictures of the volcano of Kilauea and a trip along the Hilo railroad. The American Film Company is one of the best known picture concerns on the mainland, and the pictures taken here will be shown before millions of people in all parts of the United States. Secretary Wood said this morning that he considered moving pictures as being one of the most successful mediums of advertising.

Although the backbone of the eastern winter is broken already, the tourist travel to Hawaii is expected to continue favorably for the next few months. Many parties have already announced their intention of coming to the islands through letters to Secretary Wood. The advertising of the Panama-Pacific Exposition has had an excellent effect in the east and many of the better class are going west to take a look at the country before making their preparations for the big fair. Through the extensive advertising of Hawaii which is now being carried on, it is expected that many of these tourists may be prevailed upon to extend their trips to the islands.

Miss Mabel E. Boaser, principal of the Kawaiahae School for Girls, is now in the east lecturing on Hawaii, illustrating her lectures with stereoscopic slides loaned her by the local promotion committee. According to the eastern papers, her lectures are being largely attended, the proceeds of which are to be devoted to the industrial school in Honolulu. In a recent letter to Secretary Wood, Miss Boaser says that a party composed of seven persons from New Hampshire will visit the islands within the next month.

In a letter to Secretary Wood, W. P. Strandborg, publicity director of the Festival Associations of the Pacific Coast, says in part: "The material and the photos forwarded for publicity use have been received, some of which have already been placed. The exploitation work undertaken by the Festival Association (of which the Mid-Pacific Carnival is included) is to be continuous and it will be our endeavor to attract tourists to the Coast whenever possible, and to route them to all our league points. We will make Honolulu's splendid Mid-Pacific Carnival one of the chief features in all our publicity appeals."

LESS BOWEL TROUBLE IN HONOLULU Honolulu people have found out that A SINGLE DOSE of simple buckthorn bark, glycerine, etc., as compounded in Adler-Lika, the German appendicitis remedy, relieves constipation, sour stomach or gas on the stomach INSTANTLY. This simple mixture antiseptizes the digestive organs and draws off the impurities and it is surprising how QUICKLY it helps. The Hollister Drug Co., advertisement.
